DETAILED ACTION

Allowable Subject Matter

1. Claims 3-6, 11-14, 16, 19, 20, 23, 24, and 26-30 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

The allowance is based on the July 6, 2005 decision by the Board of Patent Appeals and Interferences. The decision upholds the Examiner's double patenting rejections, however, as cited by Applicant, a terminal disclaimer was filed January 9, 2004 and was deemed proper. The decision also reversed all the art-based non-double-patenting rejections proposed by the Examiner. As a result, the Examiner deems all pending issues concluded and finds all pending claims allowable as guided by the decision.
